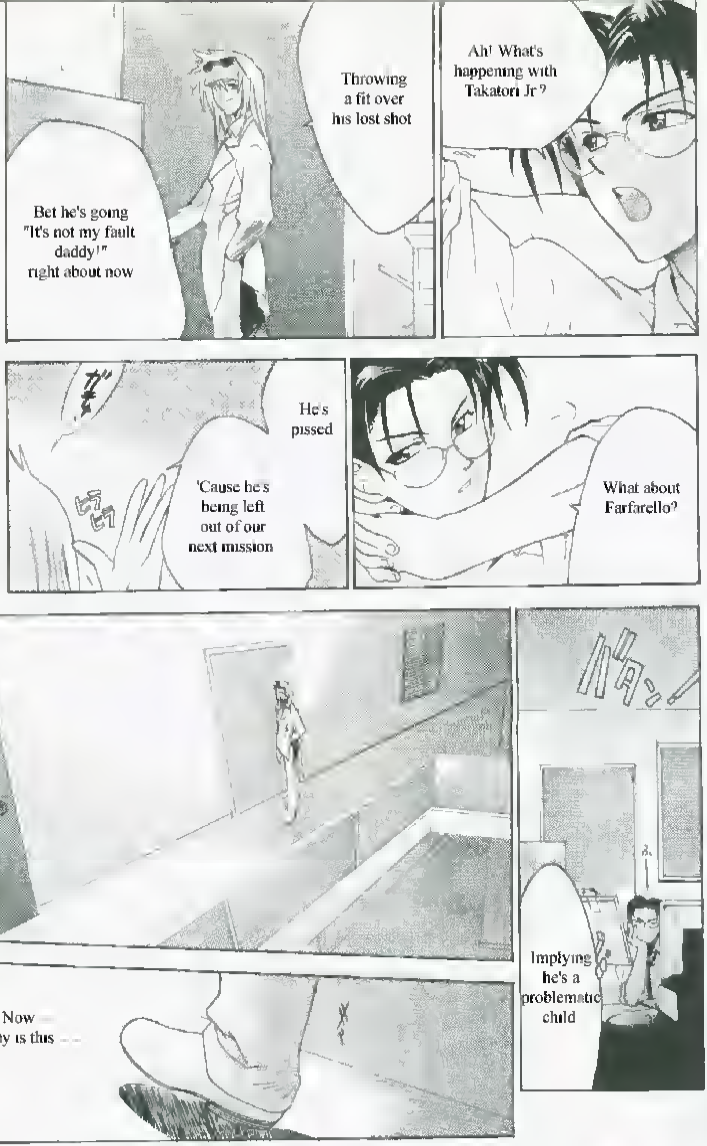
For you to come here, it's clear there has been an eruption somewhere
Not quite It's the "volcanic activity"
You must know now about the "weather report" by now
fuu
eruption

Yo!

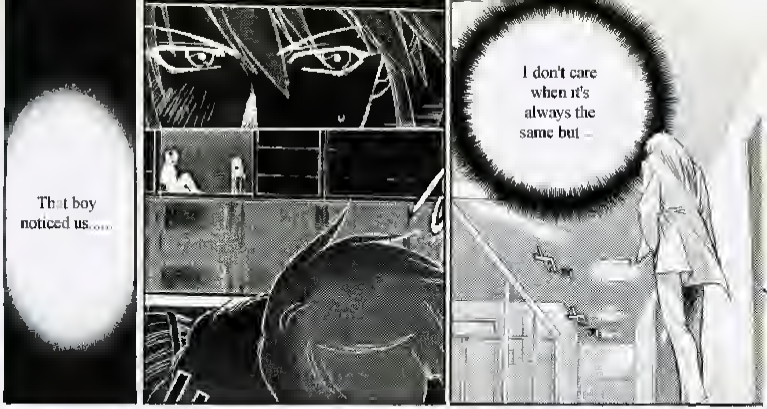
Today's Fujimiya mission messed up
What is it today? April fool's day?! Is San Francisco sinking? The aliens are coming!
Or or I'm not Will Smith!
Stop joking around, Crawford!

Listen!
Who do you think survived the explosion?
..... the point, Schuldig.
..... Fujimiya company president's son.
He was there.
You wouldn't know by his looks
But to survive that, he's got unspeakably strong luck.
It's true his company was affiliated with ours and used the asian route for contraband.
Now Nakagawa can honestly say he doesn't know who's the head somehow.
Truth is it was nice to see him give up and cry
That "Lucky Boy"
I wonder how he is –

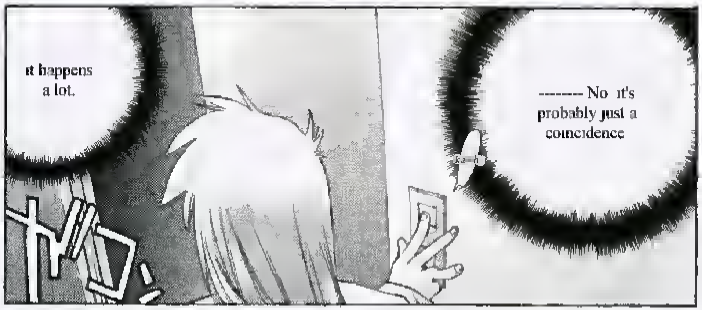
You didn't take your dispositions?
Why are you thinking about it so much?
They thought they had -until may-.
Of course it will spread out, with all those gossip-loving Japanese If they know the difference in power
Even if they suspect us they'll only say "We can't do anything about it"
they'll make a mistake, 'cause our pathetic partners will finally act
Understood Report again when you know how far the infection spread
Danke!
honestly
Who knows
Were they deceived?



Throwing a fit over his lost shot
Bet he's going "It's not my fault daddy!" right about now
Ah! What's happening with Takatori Jr?
He's pissed
'Cause he's being left out of our next mission
What about Farfarello?
Implying he's a problematic child
Now — why is this —



That boy noticed us.....
I don't care when it's always the same but –

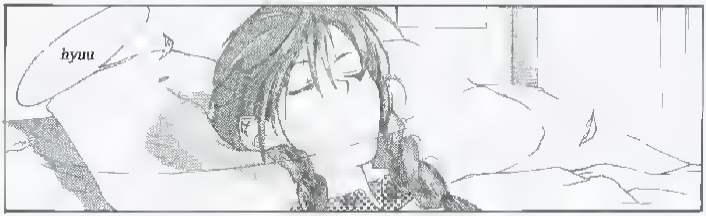


It happens a lot.
------- No it's probably just a coincidence

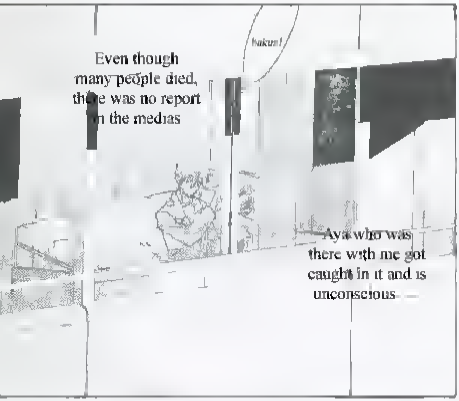
It's not like me
But what's that feeling I get...

I'll have to do something about it.

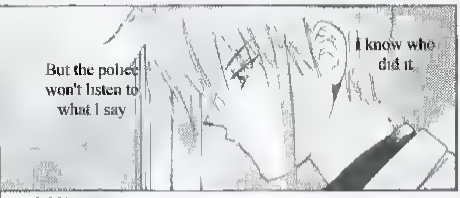
2 months later



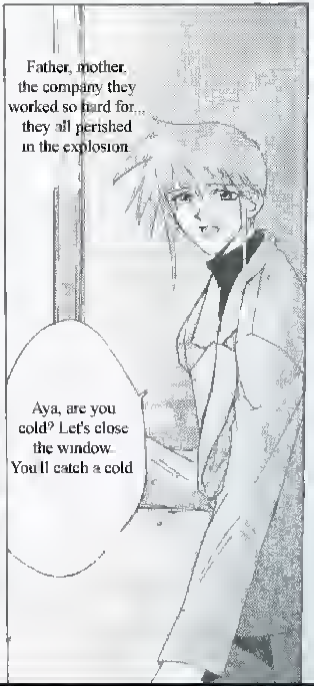
hyuu



hakun!
Even though many people died, there was no report in the medias
Aya who was there with me got caught in it and is unconscious



But the police won't listen to what I say
I know who did it



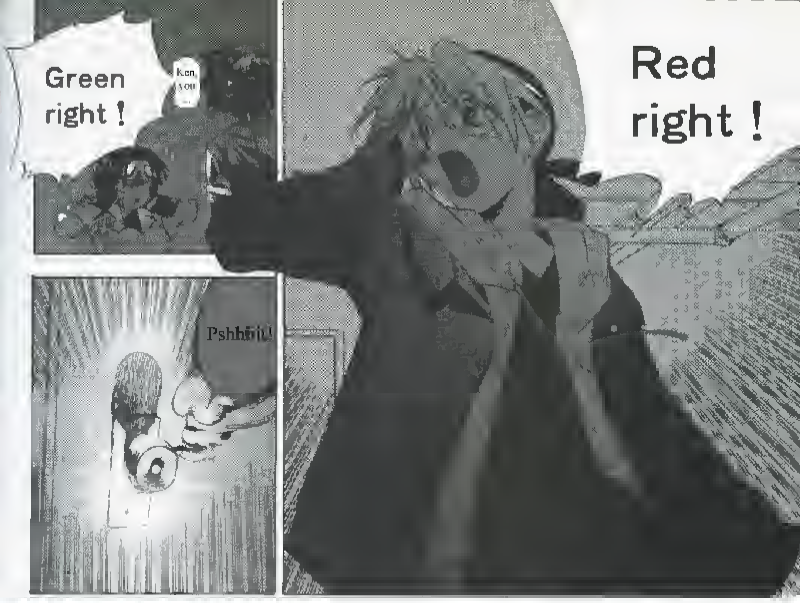
Father, mother, the company they worked so hard for... they all perished in the explosion
Aya, are you cold? Let's close the window. You'll catch a cold

ドキ
Happy Birthday !!
Ran
It's been awhile since you got a date, you'll turn into an old geezer!
When you finally get a girlfriend, use those earrings as a token of love!
From Aya
They were expensive, so I don't want to use them!

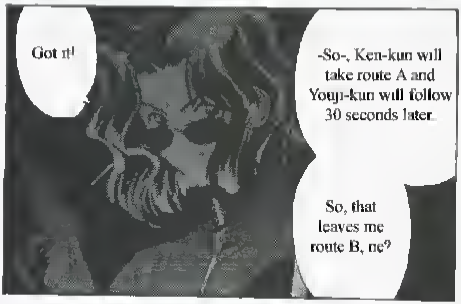
-She-

understood me . _

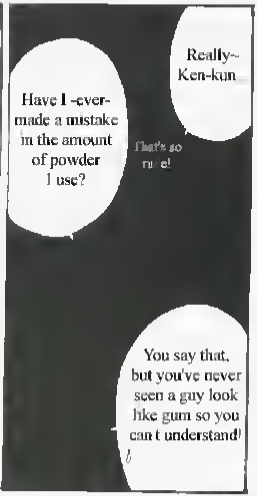
Let's
go!



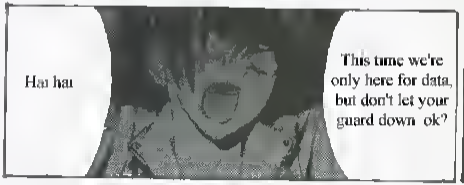
Green right !
Ken, you...
Red right !
Pshhhh!!



Got it!
-So-, Ken-kun will take route A and Youji-kun will follow 30 seconds later.
So, that leaves me route B, ne?

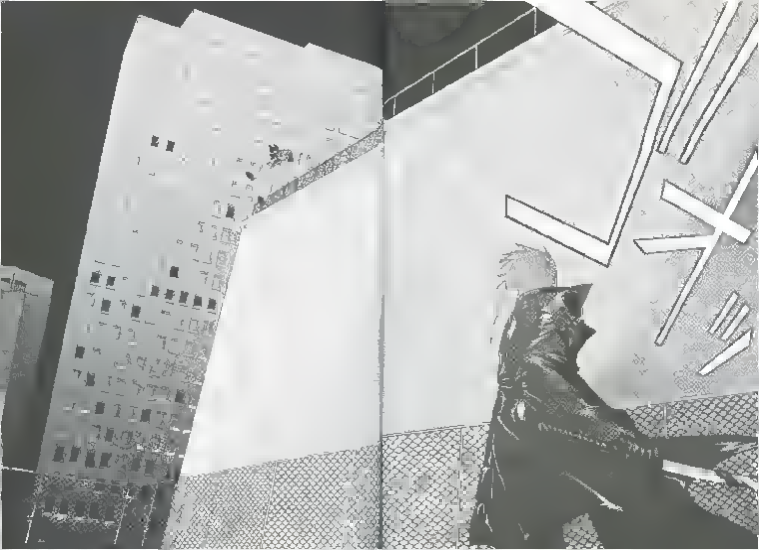


Really~ Ken-kun
Have I -ever- made a mistake in the amount of powder I use?
That's so cruel
You say that, but you've never seen a guy look like gum so you can't understand!



Hai hai
This time we're only here for data, but don't let your guard down ok?

Ok, so
GO!!!
So, in two minutes in the system room!
I got it already!
I'm counting on you to follow the plan!
Even an idiot can do this kind of job...
Gathering data, hmm?
So tell me. Where the hell am I going...?
But I hate this kind of job afterall



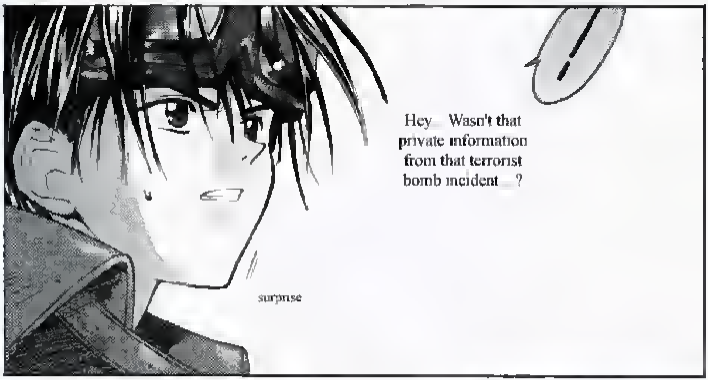
!?
That guy...

He really killed someone...
...No, that can't be...
Another assassin?!
Whatever I do, he saw my face...
Though we're kinda stuck in the same situation so he can't do shit.
But still...

It's kinda weird...
I feel like he and I are the same...

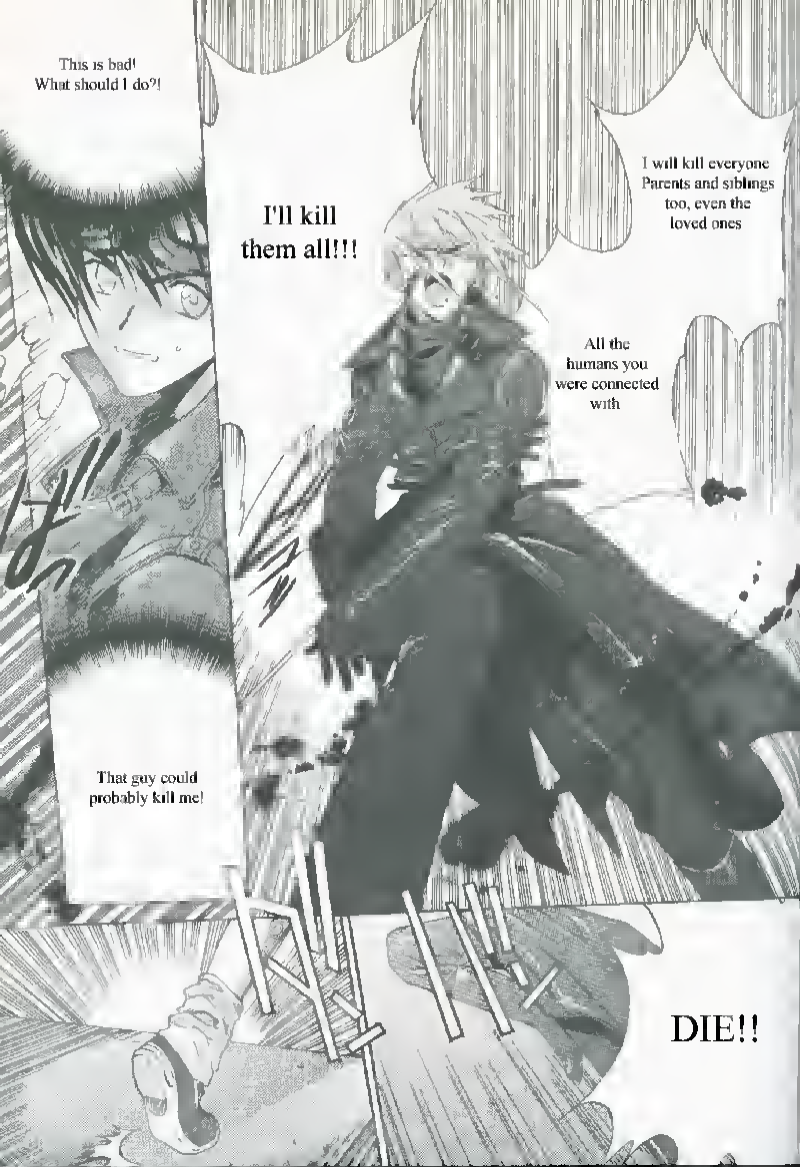
You too..?
Watch it!!

Do you know the name Fujimiya?!



Hey... Wasn't that private information from that terrorist bomb incident...?
surprise

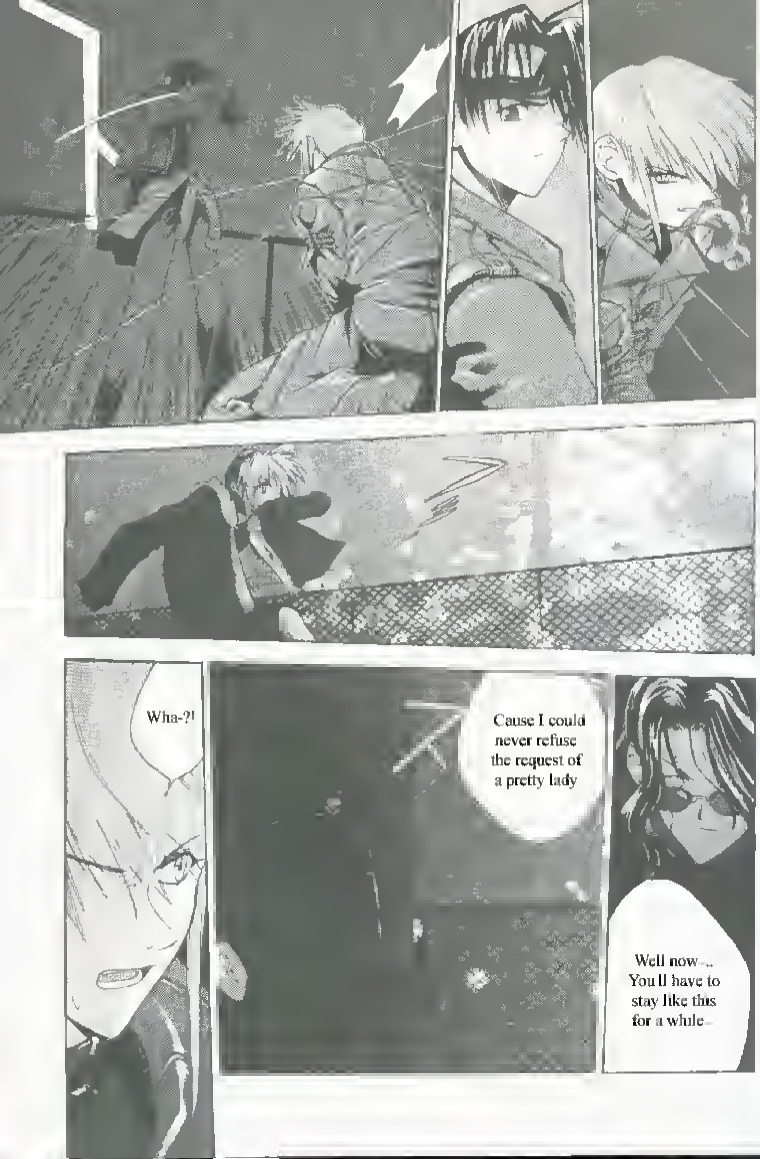
You know about it don't you!!



This is bad!
What should I do?!
I'll kill them all!!!
I will kill everyone
Parents and siblings too, even the loved ones
All the humans you were connected with
That guy could probably kill me!
DIE!!

shhff
Ken-kun, don't move!
Omi!
Ha!
Ommmhm...!
Teh!
Toc!

This is ...!!
You bastards are--?!
I knew it!
And so it's up to me to save the day!!
You!!
...Y-yeah ...!
Go, Ken!!



Wha-?!
Cause I could never refuse the request of a pretty lady
Well now~. You'll have to stay like this for a while~

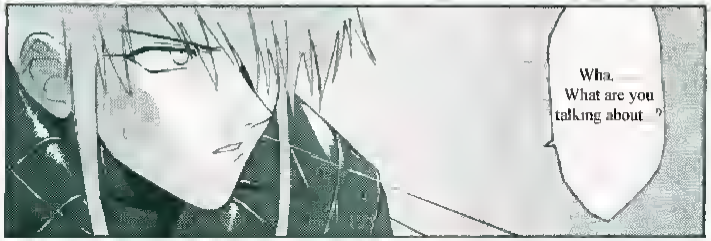
Who goes there?!
smile
Well hello there
Fujimiya Ran-kun

Who
the hell are you?!
You know my name...
I want an answer now
This will seem sudden but...
Will you die here now...
or will you become my dog Decide now

.....What the...?!
Become your dog...?!
Don't be ridiculous!!!
I can easily fight you one on one!
The man you're after... is Takatori isn't it?
.....
?!
Your face says I hit home
I'll kill you all!!!

You can't kill Takatori on your own
They weren't with Takatori...?
Those guys
The Japanese police isn't that stupid.
I'd like to congratulate you for getting this far into your investigation
So— Answer me—
—But your actions are way too flashy

Will you leave Aya-san all alone...?



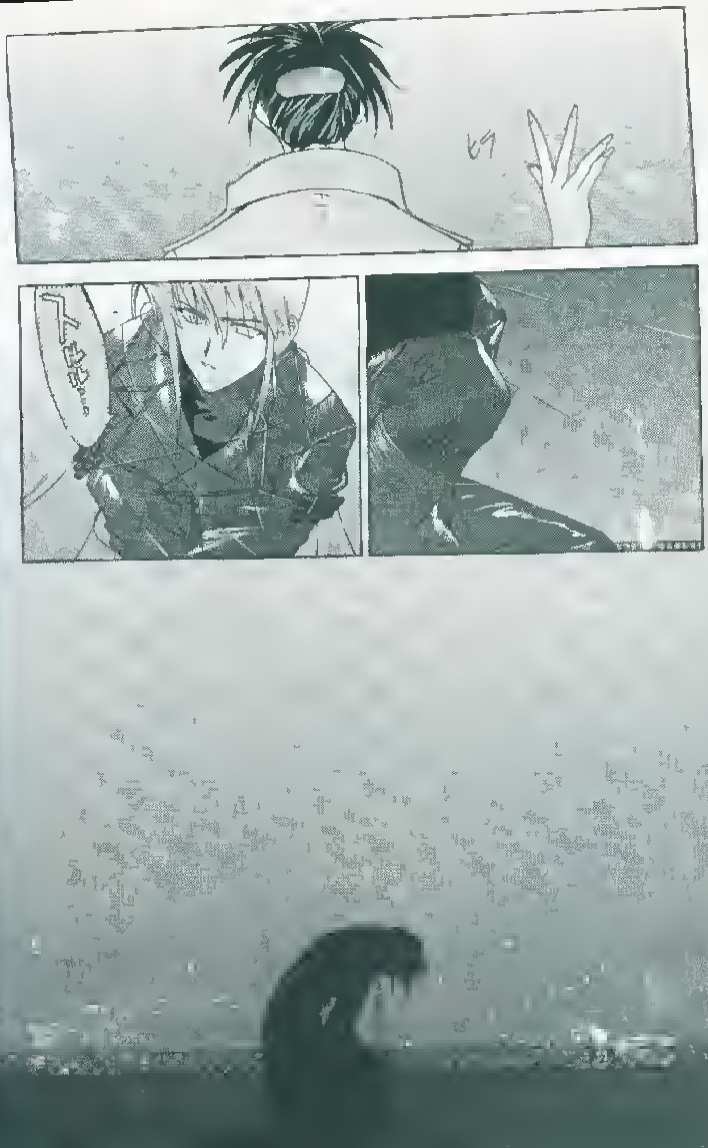
Wha... What are you talking about...?

You are so straightforward and clumsy!
smile

You're also hopeless
Whoever use their power to mess with the laws and become criminals, we bring them justice
This is the job of "Weiß"
You have already passed the point of no return

If you join us, you will get a chance at reaching your goal
The reward for the "jobs" depends on each person
If you join us, we can make sure that Aya-san is safe
We can let you see her more
In your pursuit of Takaton, it has been a month since you last saw Aya-san right?

Well. I'll wait for you at the "Koneko no sumu ie" flowershop
I didn't say I would go!
Oh! One more thing
Aya-san is waiting for a wonderful dream ...
I too want to see her talk about it someday



Aya...
Now...
I think I understand why you hesitated before him, Ken

Thank you very much for coming!
♡

ジー

We'll come back tomorrow!
Bye bye Onii-san!
See you next time!
There's no mistake..... This is the place....
I remember that guy Why ? Does he work here...?

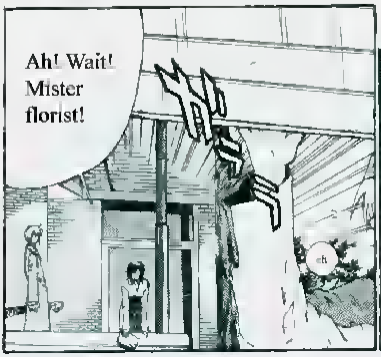
THE HOUSE
Konoko no Sumu Ie
Konoko no Sumu Ie

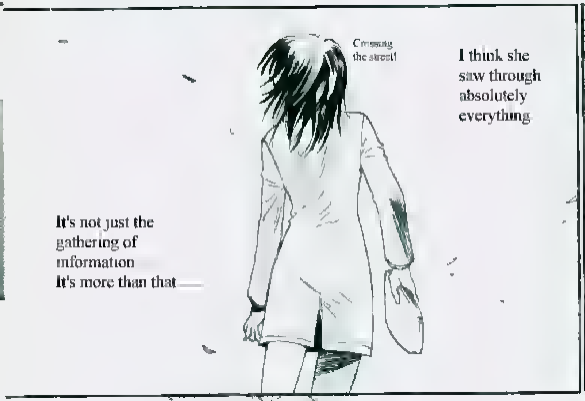
Oh no! You don't remember me?
Oh! Fujimiya-kun!
Wh. Who is she?
smile
"Will you die here now"
"or will you become my dog Decide now"
That night!!
You should at least remember a girl's face
you're so hopeless
So, let's go

Well... after that conversation about Aya, I've made a decision
Hold on!
Wait!
I wonder why you have come here
Aya... What about Aya...?
Just leave it to us
Well then, we'll do our very best for her
Oh... Okay...



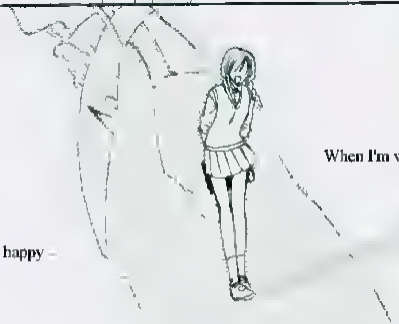
Ah! Wait! Mister florist!
eh

The shop is going to close, hurry!!

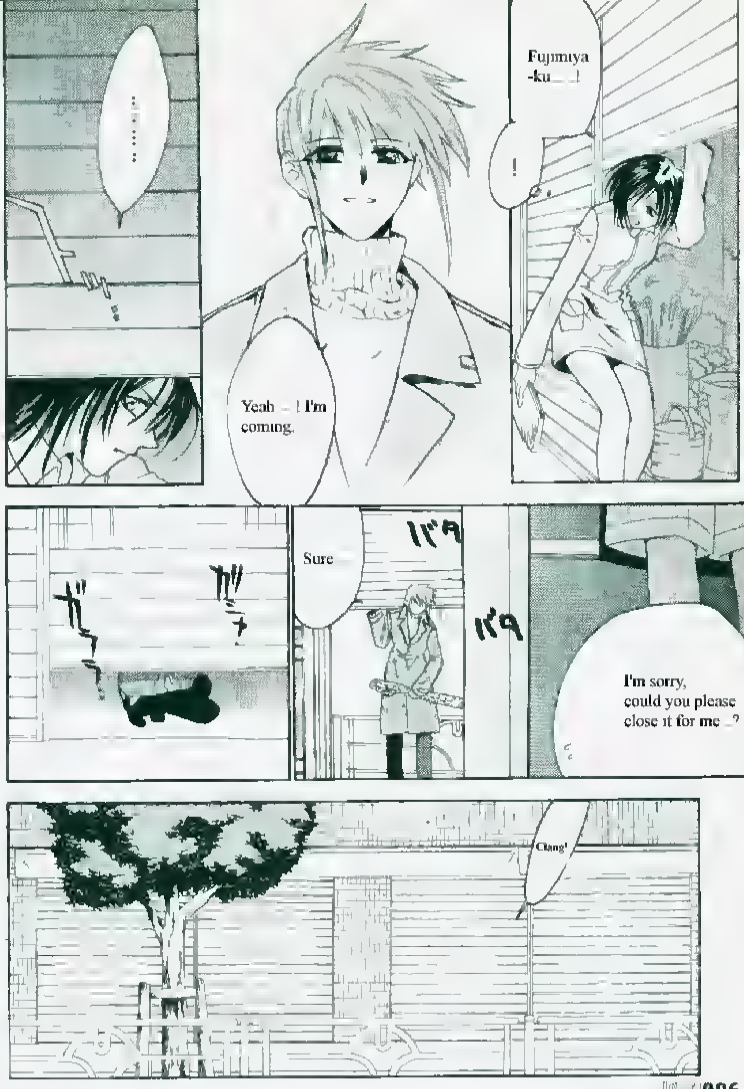


Crossing the street!
I think she saw through absolutely everything
It's not just the gathering of information
It's more than that——

This person——

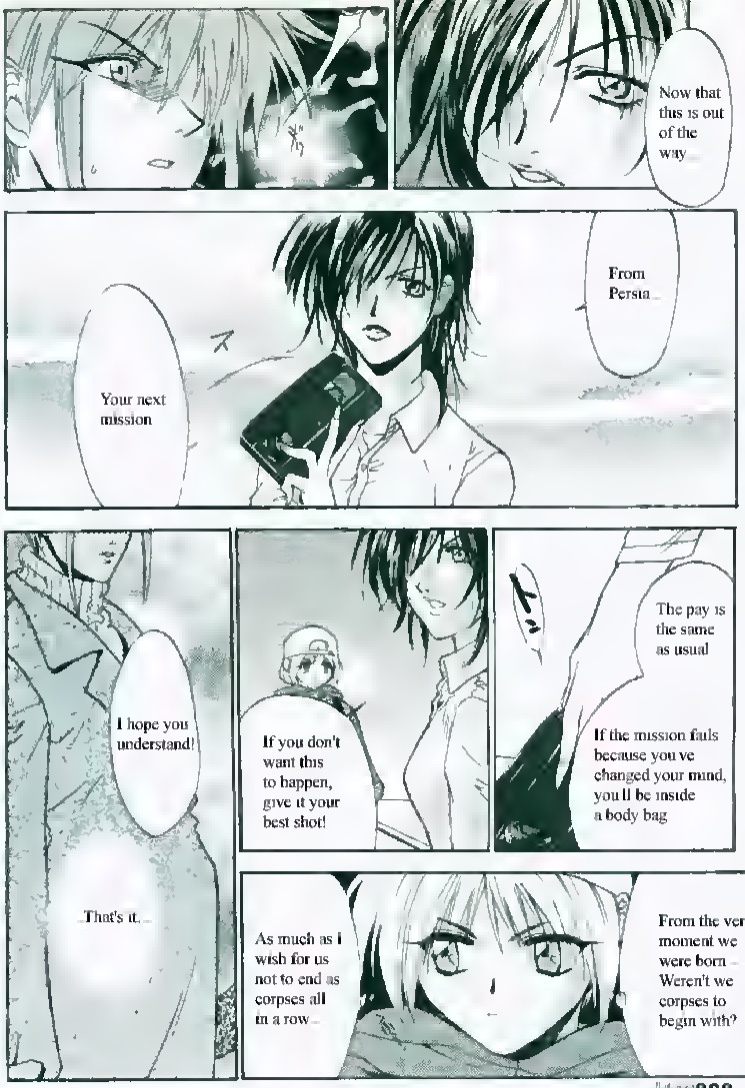


It's the times when I'm a little tired.
When I'm worried
Even when I'm happy——



Fujimiya-ku__!
!
Yeah__! I'm coming.
Sure
I'm sorry, could you please close it for me__?
Clang!

Yeah...
You're the guy who gave me a lot of trouble
Do you remember me?
shh!
Thank you!
a kid. ?!
"... For now...?"
Yep!
I'm Tsukiyono Omu for now People just call me Omu
It's not the first time we meet, but nice to meet you!
Everything before I got in Weiß got wiped out
I don't remember my real name I -think- I'm 16
I'm a senior high school student!
I don't have any memory!
From now on please listen to Omu-kun
Whaddya mean "even so"? From someone who always wears high heels
-Even so- he seems to be the one to give the mission orders for the team



Now that this is out of the way...
From Persia...
Your next mission
I hope you understand!
...That's it...
If you don't want this to happen, give it your best shot!
The pay is the same as usual
If the mission fails because you've changed your mind, you'll be inside a body bag
As much as I wish for us not to end as corpses all in a row...
From the very moment we were born... Weren't we corpses to begin with?

I can't go back!
That's just it...
I've made a decision!
I can't...
It's too late...
Yeah...
I got it...
Ah?
The new guy?
Really?!
I'm saved!
The new person got here
Yeah yeah, I'm opening it now, just hold on

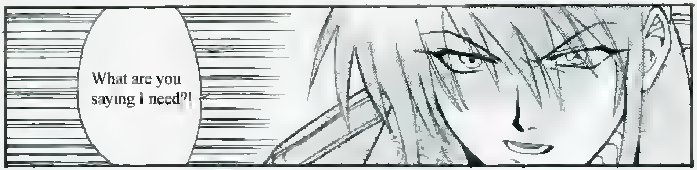
Well that was my thanks for trying to stab me that day

We're gonna be on the same team
so that way there won't be anything unsettled between us
Right?
A Japanese sword !!
カッ!!
カッ!!

Move your foot!!
Why should I?
So you don't need that katana right now
Ken has nothing to do with your goals
You need the strength of these people to reach your goals
Always remember
That you would reach your goals with your own power
You have nothing to gain from this
Didn't you make a decision when you came here?



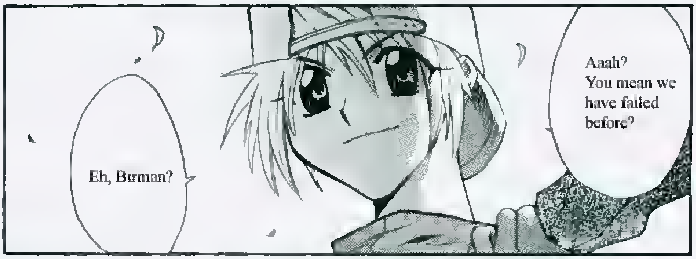
What are you saying I need?!

step

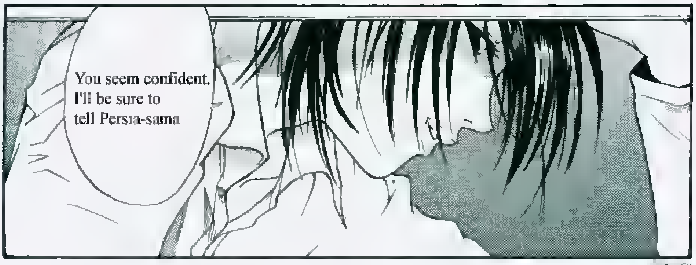
GEH!

bastard..!!
Even if we have the same goals
I have no intentions of fucking with you!!
What?!
So you'd rather I hit you straight in the face?!
Don't fuck with me!!
wa.. wait
What's with hitting me right in the guts suddenly, HUH?!!
If I'd let my guard down, I could have fainted
Right
Just remember you have a job to do
Omi-kun.. Won't you stop them?
Why?

But.
here, the japanese sword
I don't want to hear the mission failed because those two couldn't get along
Ok.
Make sure Youji knows about this job
Ok, I don't think you need me here anymore
Right, you couldn't stop them, could you.



Eh, Birman?
Aaah? You mean we have failed before?



You seem confident. I'll be sure to tell Persia-sama
